**“DEPENDABLE INNER  
STRENGTH”**

### COMPANY SUMMARY

Spartan Reinforcing, LLC is a Rebar Contractor which specializes in providing turn-key solutions for all steel concrete reinforcement serving the heavy civil and commercial market segments. We provide all the materials, on-site project management, and labor needed to reduce risk and improve construction schedules. Our management team has over 100 years of experience in the industry. Through our comprehensive approach and expertise, the Spartan Reinforcing Team positively impacts projects from start to finish.

### COMPANY MISSION

*To glorify God and enrich lives as we provide the inner strength that projects need.*

#### Core Values:

**Servanthood**—Exhibiting a servant’s respect for His authority.

**Strength**—Unfailing dedication to getting the job done.

**Courage**—Boldly improving people and processes.

**Care**—Acting upon the belief that people are job #1.

**Team**—Working sacrificially; the last will be first and the first will be last.

**Integrity**—Building personal framework to trustworthiness.

**Gratitude**—Joyfully working as one who is redeemed.
